Section 1: Introduction

This Refund & Cancellation Policy ("Policy") forms an integral part of the GOGETFIT Platform Terms & Conditions and governs the cancellation, refund, coach change, and other related matters concerning the purchase and use of Coaching Plans and other eligible Services offered through the GOGETFIT Platform.

The Company is committed to maintaining a transparent, fair, and consistent refund process while recognising the significant time, effort, and resources invested in preparing personalised coaching programmes. Accordingly, this Policy establishes the circumstances under which refunds, cancellations, coach changes, and related requests may be considered.

Users are encouraged to carefully read this Policy before purchasing any Coaching Plan or other paid Service. By purchasing, enrolling in, activating, or using any paid Service offered through the GOGETFIT Platform, Users acknowledge that they have read, understood, and agreed to this Policy.

This Policy should be read together with the Company's Terms & Conditions, Privacy Policy, Medical Disclaimer & Consent, Challenge & Rewards Policy, Community Guidelines, Brand Ambassador Program Policy, and any other policies, guidelines, or agreements published by the Company from time to time.

In the event of any inconsistency between this Policy and the Terms & Conditions, the Terms & Conditions shall prevail unless this Policy expressly provides otherwise with respect to refunds, cancellations, or related matters.

Section 2: REFUND ELIGIBILITY

The Company recognises that circumstances may arise where a User wishes to cancel a Coaching Plan or request a refund. This Section explains the general principles governing refund eligibility. Specific refund rights, limitations, exclusions, and procedures are described in the subsequent sections of this Policy.

Unless expressly stated otherwise in this Policy or required by applicable law, refunds shall be governed solely by this Policy and shall remain subject to the Company's verification, review, and approval process.

2.1 General Eligibility

Refund eligibility depends upon various factors, including but not limited to:

- The status of the Coaching Plan;
- Whether the Coaching Plan has been activated;
- The stage of service delivery;
- The nature of the User's request;
- Compliance with this Policy;
- Applicable laws; and
- Any other relevant circumstances considered by the Company.

2.2 Refunds Are Not Automatic

Submission of a cancellation or refund request does not automatically entitle a User to receive a refund.

Every request shall be reviewed in accordance with this Policy, the Company's Terms & Conditions, and applicable law.

2.3 Activation of Coaching Plan

For the purpose of this Policy, a Coaching Plan shall be considered "Activated" when the assigned Coach makes the personalised coaching plan available to the User through the GOGETFIT Platform following completion of the onboarding process.

The activation date shall determine the User's eligibility for refunds under this Policy.

2.4 Circumstances Affecting Eligibility

Refund eligibility may be affected by circumstances including, but not limited to:

- Whether the Coaching Plan has been activated;
- Whether personalised coaching services have commenced;
- The type of Coaching Plan purchased;
- Promotional or discounted purchases, where applicable;
- Fraudulent, abusive, or misleading conduct;
- Violation of the Company's legal documents; or
- Other circumstances permitted under applicable law.

2.5 Company's Determination

The Company's determination regarding refund eligibility shall be made in accordance with this Policy and applicable law.

Nothing in this Section shall be interpreted as guaranteeing a refund except where expressly provided under this Policy or required by applicable law.

Section 3: CANCELLATION BEFORE COACH ACTIVATION

The Company understands that a User's circumstances may change after purchasing a Coaching Plan but before the Coaching Plan is activated. Accordingly, subject to this Policy, Users may request cancellation of their Coaching Plan before activation.

Refund eligibility under this Section applies only where the Coaching Plan has not been activated by the Coach.

3.1 Eligibility for Cancellation

A User may request cancellation of a Coaching Plan at any time before the assigned Coach activates the Coaching Plan on the GOGETFIT Platform.

A Coaching Plan shall be deemed not activated until the Coach manually activates the personalised Coaching Plan following completion of the onboarding process.

3.2 Refund Amount

Where a cancellation request is approved before Coach activation, the Company shall refund 90% of the total amount paid for the Coaching Plan.

The remaining 10% shall be retained by the Company towards non-refundable transaction-related expenses, including but not limited to:

- Payment gateway charges;
- Taxes;
- Administrative expenses;
- Payment processing costs; and
- Other operational costs incurred in processing the purchase and cancellation.

3.3 Processing of Cancellation Requests

Users requesting cancellation before Coach activation may contact the Company through the official support channels.

The Company may require reasonable verification of:

- The User's identity;
- Purchase details;
- Payment confirmation; and
- Any other information reasonably required to process the request.

3.4 Refund Timeline

Once a refund request has been reviewed and approved by the Company, the refund shall be initiated to the original payment method used for the purchase.

The actual time required for the refunded amount to reflect in the User's account may vary depending on the payment gateway, banking partner, financial institution, or payment method used.

In most cases, refunds are expected to be processed within 5 to 7 working days from the date of initiation. However, delays beyond the Company's control may occur.

3.5 Effect of Cancellation

Upon successful cancellation and processing of the refund:

- The purchased Coaching Plan shall stand cancelled;
- The User shall not be entitled to receive coaching services under the cancelled Coaching Plan;
- Any associated access or benefits relating to the cancelled Coaching Plan may be withdrawn; and
- The cancellation shall not affect any rights or obligations that arose before the cancellation took effect.

3.6 Company's Right to Reject Requests

The Company reserves the right to reject any cancellation or refund request under this Section where:

- The Coaching Plan has already been activated;
- False, misleading, or incomplete information has been provided;
- Fraudulent or abusive conduct is suspected;
- The request violates this Policy or the Company's Terms & Conditions; or
- Rejection is otherwise permitted under applicable law.

3.7 Cancellation During Plan Preparation

The preparation of personalised diet plans, workout plans, questionnaires, onboarding activities, consultations, or other pre-activation services shall not, by itself, constitute activation of the Coaching Plan. A Coaching Plan shall be considered activated only when the Coach manually activates the personalised Coaching Plan on the GOGETFIT Platform. Accordingly, Users remain eligible to request cancellation under this Section until such activation occurs, subject to the terms of this Policy.

Section 4: NO REFUND AFTER COACH ACTIVATION

The GOGETFIT Coaching Plans are personalised services developed specifically for each User based on their goals, health information, lifestyle, preferences, onboarding responses, and other information provided during the enrolment process. Once a Coaching Plan has been activated by the Coach, the personalised coaching service is deemed to have commenced.

Accordingly, except where required by applicable law or expressly approved by the Company under this Policy, **no refund shall be available after the Coaching Plan has been activated.**

4.1 Commencement of Services

A Coaching Plan shall be considered commenced when the assigned Coach manually activates the personalised Coaching Plan on the GOGETFIT Platform.

The activation of the Coaching Plan signifies that the personalised coaching service has begun, irrespective of whether the User subsequently accesses, views, downloads, or follows the Coaching Plan.

4.2 No Refund After Activation

Once the Coaching Plan has been activated:

- The User shall not be entitled to any full or partial refund;
- The unused portion of the Coaching Plan shall not be refundable;
- Failure to utilise the Coaching Plan shall not create any entitlement to a refund; and
- The User's decision to discontinue the Coaching Plan shall not affect the Company's refund obligations under this Policy.

4.3 User Dissatisfaction

A User's dissatisfaction with:

- Personal progress;
- Results achieved;
- Coaching style;
- Pace of progress;
- Personal motivation;
- Schedule or availability; or
- Other subjective preferences,

shall not, by itself, entitle the User to a refund after Coach activation.

Where appropriate, the Company may, at its sole discretion, assist the User by facilitating a coach change in accordance with this Policy.

4.4 Exceptional Circumstances

The Company may, in exceptional circumstances and entirely at its sole discretion, consider alternative resolutions, including goodwill gestures, promotional benefits, future enrolment offers, or other appropriate arrangements.

Nothing in this Section shall be interpreted as creating any obligation on the Company to provide a refund or any alternative benefit.

4.5 Compliance with Applicable Law

Nothing contained in this Section limits any refund rights that cannot lawfully be excluded under applicable law.

Where a refund is required by mandatory law, the Company shall comply with such legal requirements to the extent applicable.

4.6 No Transfer of Coaching Plans

Once a Coaching Plan has been activated, it cannot be transferred, assigned, gifted, exchanged, or converted for use by another individual. Coaching Plans are personal to the enrolled User and are non-transferable unless expressly permitted by the Company in writing.

Section 5: COACH CHANGE POLICY

The Company recognises that the relationship between a User and their Coach plays an important role in the overall coaching experience. While Users are encouraged to carefully review Coach profiles before enrolling in a Coaching Plan, the Company may permit a change of Coach in accordance with this Policy.

A request for a Coach change shall not constitute grounds for cancellation or refund of the Coaching Plan.

5.1 User's Choice of Coach

Prior to purchasing a Coaching Plan, Users have the opportunity to review available Coach profiles on the GOGETFIT Platform, including information such as qualifications, certifications, languages spoken, coaching experience, transformation stories, achievements, availability, and other relevant details.

Users are responsible for selecting the Coach they consider most suitable for their individual goals and preferences.

5.2 Requesting a Coach Change

Where a User wishes to change their Coach after activation of the Coaching Plan, the User may submit a request to the Company through the designated support channels.

The Company shall review such requests in accordance with this Policy, operational feasibility, and Coach availability.

Submission of a Coach change request does not guarantee that the requested change will be approved.

5.3 Change Within the Same Coach Level

Where a Coach change request is approved, the User may select another available Coach within the same Coach Level as the originally purchased Coaching Plan.

Coach changes to a higher Coach Level may require payment of the applicable price difference or purchase of a new Coaching Plan, as determined by the Company.

©GGF Lifestyle Technologies Private Limited

5.4 Availability of Coaches

Coach changes are subject to the availability of Coaches at the relevant Coach Level.

Where no suitable Coach is immediately available, the Company may:

- Place the request on hold until a suitable Coach becomes available;
- Recommend alternative available Coaches within the same Coach Level; or
- Provide another reasonable solution at its discretion.

5.5 No Refund for Coach Change

Approval or rejection of a Coach change request shall not affect the User's eligibility for a refund.

A request to change a Coach shall not entitle the User to cancel the Coaching Plan or receive any full or partial refund.

5.6 Company-Initiated Coach Changes

The Company may assign or reassign a Coach where reasonably necessary, including but not limited to circumstances involving:

- Resignation or termination of a Coach;
- Extended unavailability;
- Medical or personal emergencies;
- Operational requirements;
- Conflict of interest;
- Service quality considerations; or
- Other circumstances considered appropriate by the Company.

Where reasonably practicable, the Company shall endeavour to assign another suitable Coach of the same Coach Level or an equivalent level without adversely affecting the User's Coaching Plan.

5.7 Company's Final Decision

All Coach change requests shall be reviewed on a case-by-case basis.

The Company's decision regarding approval, assignment, or reassignment of Coaches shall be final, subject to applicable law.

©GGF Lifestyle Technologies Private Limited

Section 6: PLAN PAUSE, EXTENSION & TRANSFER POLICY

The Company is committed to providing a structured and time-bound coaching experience. Coaching Plans are designed to be completed within the duration selected by the User at the time of purchase.

Accordingly, unless expressly stated otherwise by the Company, Coaching Plans shall continue for their scheduled duration once activated and shall be subject to the provisions of this Section.

6.1 No Plan Pause or Suspension

As of the Effective Date of this Policy, the Company does not offer the ability to pause, suspend, freeze, or temporarily discontinue an active Coaching Plan.

Once activated, a Coaching Plan shall continue for its scheduled duration regardless of the User's level of participation or temporary inability to utilise the Services.

6.2 No Plan Extension

The Company does not provide extensions to the duration of an active Coaching Plan.

Failure by a User to actively participate, follow the Coaching Plan, communicate with the Coach, or utilise the Services during the subscribed period shall not entitle the User to an extension of the Coaching Plan.

6.3 No Transfer of Coaching Plans

Coaching Plans are personal to the enrolled User and may not be transferred, assigned, shared, gifted, exchanged, resold, or otherwise made available to any other individual.

The Company reserves the right to refuse or terminate any attempted transfer that violates this Policy or the Company's Terms & Conditions.

6.4 Future Pause or Extension Features

The Company may, at its sole discretion, introduce facilities such as plan pause, suspension, freeze, extension, or similar features in the future.

Any such facility shall be governed by the eligibility criteria, limitations, conditions, and procedures applicable at the time of its introduction.

Unless expressly announced by the Company, Users shall not be entitled to pause, suspend, freeze, or extend an active Coaching Plan.

6.5 Exceptional Circumstances

Nothing in this Section prevents the Company from considering exceptional circumstances on a case-by-case basis where it believes an alternative resolution is appropriate.

Any accommodation provided by the Company shall be entirely at its sole discretion and shall not create a precedent or entitlement for any other User or future request.

©GGF Lifestyle Technologies Private Limited

Section 7: REFUND PROCESSING TIMELINES

Where a User is eligible for a refund under this Policy and the refund request has been approved by the Company, the refund shall be processed in accordance with this Section.

The Company aims to process eligible refunds promptly; however, the actual time required for the refunded amount to reflect in the User's account may vary depending on the payment method, banking institution, payment gateway, and other factors beyond the Company's reasonable control.

7.1 Review of Refund Requests

All refund requests shall be reviewed by the Company in accordance with this Policy.

The Company may require the User to provide reasonable information or documentation necessary to verify the request before initiating any refund.

7.2 Refund Initiation

Once a refund request has been approved, the Company shall initiate the refund to the original payment method used for the purchase, unless otherwise required by applicable law or agreed by the Company.

The Company reserves the right to decline requests for refunds to alternative payment methods where not reasonably practicable.

7.3 Processing Timeline

Approved refunds are generally initiated within a reasonable period after approval.

After initiation by the Company, the refunded amount is typically expected to be credited to the User's original payment method within 5 to 7 working days, subject to the processing timelines of the respective payment gateway, banking institution, card issuer, UPI provider, or other financial service provider.

7.4 Delays Beyond the Company's Control

The Company shall not be responsible for delays arising from:

- Banking systems;
- Payment gateway processing;
- Card issuers;
- UPI service providers;
- Financial institutions;

- Public holidays;
- Technical disruptions; or
- Other circumstances beyond the Company's reasonable control.

Where reasonably requested by the User, the Company may provide available transaction details or refund references to assist the User in following up with the relevant payment service provider.

7.5 Refund Completion

A refund shall be deemed completed when the Company has successfully initiated the refund through its authorised payment gateway or payment service provider.

Any subsequent delay in crediting the refunded amount to the User's account shall be governed by the policies and processing timelines of the relevant financial institution or payment service provider.

7.6 Communication Regarding Refund Status

The Company may communicate with the User regarding the status of the refund request through email, WhatsApp, in-app notifications, telephone, or any other official communication channel available to the Company.

Users are responsible for ensuring that their registered contact details remain accurate and up to date.

Section 8: PAYMENT GATEWAY & BANKING MATTERS

The GOGETFIT Platform utilises authorised third-party payment gateway providers and financial service providers to facilitate online payments for Coaching Plans and other eligible Services.

While the Company endeavours to ensure a seamless payment experience, the processing of payment transactions is subject to the systems, policies, and operational procedures of the respective payment gateway providers, banks, card issuers, UPI providers, and other financial institutions.

8.1 Third-Party Payment Providers

All online payments are processed through authorised third-party payment gateway providers.

The Company does not directly control or operate the payment infrastructure used to process electronic transactions and shall not be responsible for the independent operations of such third-party providers.

8.2 Payment Confirmation

A Coaching Plan shall be considered successfully purchased only after the Company receives confirmation of successful payment from the authorised payment gateway.

Until such confirmation is received, the Company shall have no obligation to activate a Coaching Plan or provide any paid Services.

8.3 Failed or Incomplete Transactions

Where a payment transaction fails, remains incomplete, or is declined before payment confirmation is received, the User shall not be entitled to activation of the Coaching Plan.

Users experiencing payment issues should first verify the transaction status with their respective bank or payment service provider before contacting the Company.

8.4 Duplicate Payments

If a User reasonably believes that multiple payments have been made for the same Coaching Plan due to a technical error or duplicate transaction, the User should promptly notify the Company through the designated support channels.

Upon verification, the Company shall take appropriate steps to facilitate the resolution of the duplicate payment, subject to confirmation from the payment gateway and applicable payment records.

8.5 Payment Disputes

Users are encouraged to contact the Company before initiating any payment dispute, chargeback, or similar claim with their bank, card issuer, or payment service provider.

The Company will make reasonable efforts to review and resolve genuine payment-related concerns in accordance with this Policy and applicable law.

8.6 Banking & Payment Delays

The Company shall not be responsible for delays caused by:

- Banks or financial institutions;
- Card issuers;
- UPI service providers;
- Payment gateways;
- Network interruptions;
- Technical failures; or
- Other circumstances beyond the Company's reasonable control.

8.7 User Responsibility

Users are responsible for ensuring that:

- Payment information is accurate;
- Sufficient funds are available before initiating payment;
- Correct payment methods are used; and
- Payment confirmations and transaction records are retained until the purchase is successfully completed.

8.8 Company's Assistance

Where reasonably practicable, the Company may assist Users in coordinating with payment gateway providers or financial institutions by providing available transaction references, payment confirmations, or other relevant information.

Such assistance shall not constitute an acceptance of liability by the Company for delays, failures, or errors occurring within third-party payment systems.

8.9 Payment Method

Refunds approved under this Policy shall ordinarily be credited to the original payment method used for the purchase. Where this is not reasonably possible due to technical, regulatory, or operational reasons, the Company may determine an alternative lawful refund method at its sole discretion.

©GGF Lifestyle Technologies Private Limited

Section 9: EXCEPTIONAL CIRCUMSTANCES

The Company understands that unforeseen circumstances may occasionally affect a User's ability to continue their Coaching Plan. While the Company strives to apply this Policy consistently, certain exceptional situations may warrant individual consideration.

Nothing contained in this Section shall be interpreted as creating an entitlement to a refund, extension, pause, transfer, credit, or any other benefit. Any decision made by the Company under this Section shall be entirely at its sole discretion and subject to applicable law.

9.1 Individual Review

The Company may, but shall not be obligated to, review exceptional requests submitted by Users on a case-by-case basis.

Each request shall be assessed based on its individual facts, supporting information, operational considerations, and any other relevant circumstances.

9.2 Supporting Information

Where appropriate, the Company may request additional information or documentation to evaluate an exceptional request.

Users shall provide accurate, complete, and truthful information when requested.

Failure to provide reasonably requested information may result in the request being declined.

9.3 Alternative Resolutions

Instead of providing a refund, the Company may, where it considers appropriate, offer one or more of the following:

- Promotional offers;
- Discounted future enrolments;
- Goodwill benefits;
- Coach reassignment;
- Alternative coaching arrangements;
- Account credits, where introduced by the Company in the future; or
- Any other reasonable resolution determined by the Company.

The nature of any alternative resolution shall be determined solely by the Company.

9.4 No Precedent

Any exception, goodwill gesture, concession, or alternative resolution provided by the Company shall be voluntary and shall not:

- Create a legal obligation;
- Establish a continuing practice;
- Constitute a waiver of this Policy; or
- Entitle any other User to receive similar treatment.

Each request shall be considered independently.

9.5 Company's Final Decision

The Company's decision regarding any exceptional request made under this Section shall be final, subject to applicable law.

Nothing in this Section shall require the Company to approve any request or depart from this Policy.

9.6 Humanitarian Considerations

The Company may, in rare and exceptional circumstances, consider requests based on humanitarian grounds where it believes that doing so is fair, reasonable, and consistent with the Company's values. Any accommodation granted under this clause shall remain entirely discretionary and shall not create any precedent or entitlement for future requests.
